

Waste – Support for Composting

POLICY – EH-CP-201

Directorate	Sustainable Development	
TRIM Ref	14/14363	
Status	Current	
Adopted	14 October 2014	Minute No: 0338

Policy Objective

To create an awareness in school children of environmental issues and in particular waste reduction/recycling.

Policy Statement

When requested, Council will provide support for composting (eg education) to each school (including pre-schools) within the Griffith Local Council area, provided:

- that the school has an environmental/recycling program in operation
- that the school has a compost bin
