

LEARN ABOUT LOCAL GOVERNMENT

Let's learn about the great things Griffith City Council does for our Community.

Message from the Mayor

Hi there! My name is Doug Curran and I am lucky enough to be Mayor of Griffith City Council.

Mayor Doug Curran

This booklet is designed to encourage you to become more involved in your local community and is full of interesting and informative information about the city you live in.

One of the most satisfying jobs of being the Mayor is meeting and interacting with the youth of our town. I believe young people play a vital role in our community and I also believe you have plenty to say, and I want to hear how we can work together to make a better City, for today and for the future.

Please put on your thinking caps and let us know the great ideas you have for our City.

This is only limited by your imagination, it can be a better park or a stage, improved pool and better facilities for our youth. Please be creative and enjoy this booklet produced by our excellent staff.

MY GREAT IDEA

Draw a picture of what your great idea would look like.

A large, empty rounded rectangular box with a thick blue border, intended for drawing a picture of the user's great idea.
