

COUNCIL CATCH-UP

Full steam ahead for Yambil Street Stage 3 and 4

September saw the conclusion of the Stage 2 works on Yambil Street, paving the way for Council to commence Stage 3 and 4 of the redevelopment project.

Griffith Mayor, Councillor John Dal Broi thanked businesses, shoppers and road users for their patience during Stage 2, which saw the sections between Kooyoo Street and Ulong Street upgraded.

“I would also like to congratulate our staff and contractors for their work, and I am pleased to see how the streetscape is coming together,” said Councillor Dal Broi.

“These upgrades are part of the overall CBD strategy and we aim to provide a quality and functional environment throughout the CBD – I think you can agree we are achieving this outcome with the works completed throughout these initial stages of Yambil Street.

“Now Council is moving forward with Stages 3

and 4, which are set to commence at the end of this year,” he added.

Council staff are currently advising businesses located within the Stage 3 and 4 sections from Ulong Street through to Kookora Street to provide information and answer any questions.

“I would encourage you to stop and have a chat with the staff, clear up any concerns and find out what these next stages mean for your business,” said Councillor Dal Broi.

“Works being undertaken include the replacement and redevelopment of infrastructure and road paving, landscaping including new street trees, additional seating and bins, and new footpaths.”

Director Utilities, Mr Graham Gordon said Council will be conducting an information session for business owners, landlords and any interested community members at 6pm Thursday 29 October, at the Griffith Exies.

“This is a great way to gain a complete understanding of what the upgrades will mean for your business and other users of Yambil Street and staff will be able to answer your questions,” said Mr Gordon.

“RSVPs are essential due to COVID-19 restrictions, so please ensure you have sent through your intention to attend before Monday 26 October.”

Please RSVP to Vini Agostino on 0439 573 671 or email Vini.Agostino@griffith.nsw.gov.au by Monday 26 October 2020. Tea and coffee will be available from 6pm to 6.15pm.

Please note that COVID restrictions apply when attending the Club such as: guests must sign in, identification must be shown, guests must stay seated and not mingle with other guests and physical distancing should be maintained.

Council urges residents to be weed wise

Griffith City Council is encouraging residents to be on the lookout for a dangerous evasive weed known as Parthenium (Parthenium hysterophorus).

Council's Biosecurity Weeds Officer, Peter McGrath said, Council is working with NSW DPI to raise awareness of the problem weed.

"New incursions have recently occurred further north in NSW coming from Queensland, where the weed is endemic. It is transported into the region via various vehicles and means, such as machinery, cars, trucks and stock feed. We urge the public to be on the lookout for Parthenium plants along roadsides, rest areas and paddocks," he said.

The weed is identified as a significant biosecurity risk in NSW and is prohibited under the NSW Biosecurity Act 2015.

Parthenium weed spreads rapidly, is dangerous to grazing animals and reduces crop and land values. Contact with the plant or pollen can cause serious allergic reactions in people.

Parthenium weed grows quickly. It outcompetes other plants by fighting for nutrients and moisture

and by releasing chemicals into the soil that inhibit growth.

Parthenium weed:

- causes human health problems, such as respiratory problems and severe dermatitis
- is unpalatable to stock
- outcompetes degraded or drought affected pastures
- reduces carrying capacity
- causes livestock health problems
- competes with crop seedlings including sunflowers and sorghum
- reduces crop yields
- contaminates grain
- is a host for crop viruses.

If locals suspect they have seen Parthenium weed they are encouraged to note the location, do not attempt to treat or dispose of this weed yourself and call the NSW Biosecurity Helpline, 1800 680 244, NSW DPI, Local Land Services or contact Council on 1300 176 077 with the details for identification and assistance.

More information about Parthenium weed and how to identify the plant at different growth stages is available from NSW DPI, visit NSW WeedWise:weeds.dpi.nsw.gov.au/weeds/partheniumweed

Council Awards Round 3 of COVID Relief Grants

Griffith City Council has awarded funds to three community groups impacted by the COVID-19 lockdown after the third round of applications were assessed.

As part of the 2020/21 Budget, Council established the COVID-19 Community Grants Relief Fund of \$100,000.

Under the program, a grant of up to \$5,000 is available to community groups, not-for-profit organisations and sporting bodies for eligible projects aimed at assisting those organisations affected by the COVID -19 lockdown.

The Communities Committee assessed six applications in September totaling \$26,600, determining the eligibility for the COVID relief grant, and awarding just over \$9,000 to three organisations.

At the Ordinary Meeting on 13 October 2020 Council endorsed the following COVID 19 Community Grants Relief Fund applications;

- Hanwood Public School P&C Association - \$1,600
- Griffith Public School P&C Association - \$5,000
- The Australian Man Cave Support Group (Griffith Chapter) - \$2,500

Councillor Doug Curran is encouraging eligible groups to consider applying.

"Council is pleased to be able to support the community through the COVID-19 Relief Grant and with

so many applications coming in, it's obvious that there is a real need in our community for this level of support," Cr Curran said.

"So far we have distributed close to \$70,000 to eligible groups, leaving around \$30,000 available. I would encourage your community group, not for profit organisation or sporting group to visit the Council website to see if you are eligible and put in an application for the next round."

The Communities Committee have established a set of guidelines to assist groups submitting an application.

Guidelines used to assist assessments are as follows:

- Project or resources requested must be directly related to COVID-19
- Ongoing administrative or operational costs not eligible
- Capital purchases must be directly related to or demonstrable against losses incurred due to COVID-19
- Evidence and supporting documents demonstrating impact of COVID-19 should be supplied
- Projects and organisations must be in the Griffith Local Government Area

The COVID-19 Community Grants Relief Fund is ongoing until funds are exhausted.

Application forms can be found at www.griffith.nsw.gov.au/grants

Griffith City Library celebrates Book Week 2020

With a whopping 859 entries received in the Design Your Own Bookmark Competition and a host of great things planned this week, Griffith City Library is the place to be.

Inspired by this year's theme, Curious Creatures, Wild Minds, staff at the Library are inviting locals to help celebrate Book Week 2020.

Come in and view all 859 bookmark entries on display, sit down and watch the 35 minute collection of videos sent from local schools giving tours, book reviews and more, or come in and borrow a book from the 2020 book of the year shortlist.

Griffith City Library's People and Programs Team Leader, Sharmaine Delgado said, the week was about celebrating the joy and benefits of reading.

"Book Week 2020 is here and we would love everyone to come along to see the amazing display the Library staff have created as well as all of the amazing

bookmark designs," she said.

"We announced the winners on Monday 19 October, with Nadia Battistel winner for the K-2 category, Sienna Hudson for the year 3-4 and Hayley Morton for Year 5-6.

"The winning bookmarks have been professionally printed and are available in the Library. Students also created videos which will be screened every day during Book Week."

Griffith Mayor, Councillor John Dal Broi congratulated the winners.

"I am so impressed with how creative Griffith kids are," Councillor Dal Broi said.

"It is amazing to see them all on display and I'd like to thank all those who entered.

"Book Week is such an important event as it allows us to celebrate books and encourage reading."

Check Griffith City Library out on Facebook and Instagram or head to <https://www.wrl.nsw.gov.au/our-libraries/griffith-city-library/>

Message from the Mayor, Councillor John Dal Broi

At the last Ordinary Meeting of Council held Tuesday 13 October 2020, Councillors resolved to extend the General Manager's contract for a period of three years.

Since 2011, Mr Stonestreet has worked closely with Councillors to drive our economy by obtaining millions of dollars in funding for the City. This has realised many major projects to improve the City, many of which have been unfunded for years.

It is hard to drive anywhere around Griffith and not see a Council project underway.

Council has been able to deliver the \$25M Sports Precinct (50m pool and extension of Westend Stadium and Jubilee Oval), creation of the Country University Centre, upgrades to City Park and Community Gardens, Memorial Garden, Entiknap Park, Henderson Oval, Southern Industrial Bypass, Boorga Road seal, CBD upgrades including Yambil Street, Griffith Airport redevelopment, Griffith Youth and Community Centre, affordable housing developments (Pioneer Estate and Wakaden Street units), the Hanwood Cycleway and the Yenda EMR.

As well as creating work for our staff these projects have generated work for local businesses and trades injecting millions of dollars into our economy.

Pleasingly our Council is in a strong financial position and is one of only two Councils able to offer rate rebates for our community. Overall we are travelling in the right direction toward a strong and prosperous future for our community.

The construction of the 50m pool is on track for a Summer 2021 opening, while work is continuing at Westend Oval and Jubilee Oval. This is exciting progress for our region, forming part of the Regional Sports Precinct which will allow larger sporting events to be held. In turn this will inject funds into our community through meals, accommodation and other activities.

The Griffith Southern Industrial Link is progressing, but I would like to make mention of vandalism which has taken place over recent weeks. It is disappointing to see

Council property damaged at these worksites which cause not only unnecessary delays, but expensive repair bills. If you witness any acts of vandalism be it on Council worksites or other community and Council facilities, please call the local Police and report it. Council offers a reward for any information leading to a conviction.

This week saw the commencement of the HSC for students across NSW. I would like to take this opportunity to wish them all the best with their exams, but also remind students that this has been an unprecedented year.

While the HSC is an important end to your higher school studies, remember there are other avenues you can take - 2020 has been extremely difficult for everyone, I cannot imagine how hard it would be to attempt to complete your HSC during this pandemic situation.

I have no doubt this generation of students will be resilient. No matter what the results, never give up on your dreams for the future.

COVID has been trying for us all and if you are struggling or need someone to talk to, please reach out. There are a number of services available to assist - visit health.nsw.gov.au for more information.

Lastly, I would like to mention two local heroes who have been recognised for their outstanding contributions. Yenda residents, Kay Pellizzer and Barbara Jefferies were noted on the 2020 Hidden Treasures Honour Roll, which was launched last week by The Honourable Adam Marshall MP, Minister for Agriculture and Western New South Wales. This year 104 rural women were recognised for the contribution they have made through volunteering and it is wonderful to see two local women being honoured in this way.

Please join me in congratulating Kay and Barbara on their achievements.

**Kind regards, Cr John Dal Broi
Mayor**

Join the Council team!

We are currently seeking applications for:

- Development Assessment Coordinator
- Information Management Support Officer (Part time)
- Gardener (12 month term)
- Plant Operator/Gardener - Lake Wyangan
- Community Development Officer - Aboriginal Liaison

POSITIONS VACANT

Are you looking for a rewarding career? Then join our team and make a difference to your community. Griffith City Council offers the chance to work in a stable and secure environment while providing excellent opportunities to develop your skills and career potential. Council is proactive and passionate about creating ongoing opportunities for our growing population. Council is seeking applications for the following positions:

Development Assessment Coordinator (Permanent)

The Development Assessment Coordinator provides and ensures efficient processing and decision making relating to applications for development, land use and subdivision proposals within the Planning environment in the Griffith City Council LGA. This will include providing guidance and input into planning matters throughout the development assessment process, maintaining a customer focused approach, together with processing development applications. The successful applicant will be required to have completed a degree in planning and be eligible for Planning Institute of Australia registration and hold an Australian Class C driver licence. Please include copies of all relevant licenses and qualifications with your application. The successful applicant will be required to have extensive experience in development assessment, interpret and apply legislation and policy and knowledge to fulfil the requirements of the position and lead a small professional team. **Hours of work:** 35 hours per week **Salary and conditions:** Commencement annual salary range from \$96,067.79 to \$105,672.29 (Grade 19) with a rostered day off once a month and a fully maintained leaseback vehicle. If you have any questions about the role please contact Carel Potgieter 1300 176 077.

Information Management Support Officer (Part Time 2 Days Per Week)

The purpose of the Information Management Support Officer is to provide effective records and information management services in accordance with Council's procedures and statutory requirements. The role provides advice, training and support in the use of Council's electronic document and records management system (EDRMS) to Council staff, and is also responsible for the provision of support to the Information Management Administrator in the administration of Councils property and name and address information systems. Please include copies of all relevant licences and qualifications with your application. **Hours of work:** 14 hours per week (Monday & Tuesday) **Salary and conditions:** Commencement hourly salary \$31.8620 to \$35.0488 (Grade 8). If you have any questions about the role please contact Joanne Savage on 1300 176 077.

Applications for the above positions close Monday 26 October 2020

Gardener (12 month appointment)

The successful applicant will be required to maintain the neat and high standard of appearance of gardens and lawns, together with providing gardening labouring skills at varying locations within the Parks and Gardens department. The successful applicant must hold an Australian Class C driver licence and a White card / General Construction Induction Training card. Please include copies of all relevant licenses and qualifications with your online application. **Hours of work:** 38 hours per week **Salary and conditions:** Commencement weekly salary from \$964.05 to \$1060.45 (Grade 4) with a rostered day off once a fortnight. If you have any questions about the role please contact Jemaile Irvine on 1300 176 077.

Gardener/Plant Operator - Lake Wyangan (Part Time 2 Days Per Week)

The successful applicant will be required to present the Picnic Area in a neat and high standard of appearance at all times, as the Picnic Area is a very popular tourist attraction. To maintain all animal and bird enclosures to the standard required by the DPI. Ensure all animals and birds are in good health at all times. The successful applicant must hold an Australian Class C driver licence and a White card / General Construction Induction training card. Please include copies of all relevant licenses and qualifications with your application. **Hours of work:** 38 hours per week **Salary and conditions:** Commencement weekly salary from \$1,000.14 to \$1,100.20 (Grade 5) with a rostered day off once a fortnight. If you have any questions about the role please contact Jemaile Irvine on 1300 176 077.

Governance Officer (12 month appointment)

The Governance Officer will provide prompt and comprehensive administrative support services to Council, Council Committees and staff and provide support in carrying out the governance functions of Council. The successful applicant will require a minimum Cert III in Business Administration or demonstrated relevant experience in business administration and hold an Australian Class C driver licence, and will require high level word processing ability, strong computer literacy and experience with Office-related software applications, excellent verbal and written communication skills, organisational and time management skills. **Hours of work:** 35 hours per week **Salary and conditions:** Commencement weekly salary range from \$1,115.17 to \$1,226.71 (Grade 8) with a rostered day off once a month. If you have any questions about the role please contact Shireen Donaldson on 1300 176 077.

Applications for the above positions close Monday 2 November 2020

Environmental Health Officer (12 month maternity leave position, full time)

The Environmental Health Officer is responsible for the provision of statutory services for the protection and enhancement of community environmental and public health matters. The position is to provide effective, efficient and accountable delivery of environmental, food and public health regulatory programs. The position will include food business, regulated system, skin penetration and public pool inspections, implementation of arbovirus, immunisation and on-site sewage management programs. Inherent to this position is administration and enforcement of related legislation. They will require a relevant tertiary qualification in environmental health or equivalent degree in a related discipline. Please include copies of all relevant licenses and qualifications with your application. **Hours of work:** 35 hours per week **Salary and conditions:** Commencement annual salary range \$74,589.79 to \$82,047.60 (Grade 14) + superannuation, rostered day off once a month and Salary Packaging options. If you have any questions about the role please contact Merryn Benham on 1300 176 077.

Swimming Instructor (no AUSTSWIM, casual)

The Swimming Instructor is responsible for preparing and conducting quality swimming and water safety lessons in a safe and friendly manner in accordance with the GRALC Learn to Swim program.
