

# COUNCIL CATCH-UP

## Message from Councillor Doug Curran

There are some subjects that are very difficult to write about and I do not want to offend or upset any readers. I would like to say there are many people in our community who want to help, whether it be a kind ear, a gentle word or some sage advice, please always know there is someone out there to help or listen. Our community has really had it tough lately, but I have been fortunate enough to attend some selfless community sessions and speak to many people that want help. I am sure there will be more discussions to come, please keep an eye out for these - we

all want to help, respectfully and compassionately. Discussions about the upcoming Local Government election, to be held September 12 2020, have begun in earnest. I encourage all those interested to find out as much as you can about becoming a councillor. It is a rewarding, albeit heavily analysed, experience. With the introduction of social media, many people have taken the opportunity to criticise a lot of Council's decisions. Whilst some may hit the mark, many do not consider facts, figures and plans, however I also accept we need to better communicate these.

However, there is always the option to ask questions, either of staff or Councillors, via email or the Council Café which is held each month. I see comments and queries on social media, however none ever seem addressed to the correct people and unfortunately rarely get answered as a result. Remain positive and present ideas on how to tackle some of the difficult situations, but continually criticising has little to no positive outcome for the community. Council recently revised the Cemetery Management Plan and while the reasons it had to

take place may not have been so positive, with the overwhelming community input through submissions or the extremely committed working group, the outcome is a vastly improved plan and gives both staff and the community certainty for their loved ones in the cemetery. Thank you to all who consulted with Council to achieve this positive outcome. On the subject of cemeteries, Council is working towards plans for the new cemetery on Rifle Range Road. Our current cemetery is renowned as one of the best in NSW and we want

that to flow through to the new cemetery also. Finally, please communicate in whatever way you feel most comfortable. "Good communication is the bridge between confusion and clarity" - Nat Turner. We cannot seek to understand unless we listen, remember two ears, one mouth, utilise in the same ratio and together we can make a difference to those around us. **Regards, Councillor Doug Curran**

## Community Grants opening Monday

The second round of the Griffith City Council Community Grant Program for 2019/2020 financial year opens Monday 17 February 2020, with community groups, not-for-profit and charitable organisations or individuals encouraged to submit an application. Applications are welcome for projects and activities which can demonstrate they will deliver new initiatives which align with Council's Strategic Plan – Guiding Griffith 2040. Chair of the Communities Committee, Councillor Dino Zappacosta said the Community Grant Program offers local organisations and individuals the opportunity to obtain funds to initiate new activities or support projects that benefit the community. "During the first round of 2019/20 Council supported 8 organisations and five individuals through the grant process worth

more than \$13,000," said Councillor Zappacosta. "There have been many standout applications over the years which Council has supported and we encourage more innovative ideas." "Each round is highly competitive with many applications received and we have staff available in the Community Development Team who can provide advice which could assist to strengthen your application," he added. Two FREE Information Sessions will be held at Griffith City Council, Thursday 5 March, 12noon and Wednesday 11 March, 5.30pm. The sessions are open to all community groups and individuals who would like information about addressing the criteria in the application form. "We understand the application process can be daunting, particularly for those who are unfamiliar

with grant writing," said Community Development Coordinator, Peta Dummett. "These one hour information sessions will guide potential applicants through the process and explain how to complete the Community Grant submission. If you are considering applying in this round and would like to discuss your idea I would recommend you come along to one of the sessions." The Community Grant Program will close Friday 20 March 2020 at 4pm. Late applications will not be accepted. Application Forms including the Program Guidelines can be found at [www.griffith.nsw.gov.au/grants](http://www.griffith.nsw.gov.au/grants) or by contacting Council on 6962 8100. Please contact Council's Community Development Officer, Tanya Aramini on 6962 8100 or email [Tanya.Aramini@griffith.nsw.gov.au](mailto:Tanya.Aramini@griffith.nsw.gov.au) for more information.

## Promising results from the 2019 Griffith Business Survey

Above: Winner of the Griffith Business Survey Competition Maria Searle with Council's Economic Development Coordinator, Karly Sivewright.

Over 200 businesses took part in the 2019 Business Survey, which was conducted over the 2019 December quarter by Council and the Griffith Business Chamber. The survey was designed to collect information relating to local investment and businesses in Griffith. Griffith City Council's Economic Development Coordinator, Karly Sivewright said the survey will assist in determining how Council can assist local businesses in the future, as well as analyse the current business climate. "I would like to thank the businesses who took the time to complete the survey and provide us with the insights into their operations," said Mrs Sivewright. "The results of the survey and the subsequent report will help inform the development of strategies and long term plans, as well as support grant applications for our region. "In addition, the report will assist in providing information for major infrastructure projects as well as the long term operational and strategic decisions for Council."

Griffith Mayor, Councillor John Dal Broi said the findings will be a valuable tool for local businesses to determine opportunities within their industry, and provide key information to attract investors. "The results show that almost three quarters of the businesses surveyed are happy with how they are operating, and over half are planning expansions over the next five years," said Councillor Dal Broi. "Almost all of the respondents believe that innovation and technology is one of their greatest strengths. "The results are encouraging and demonstrate that while we are affected by external influences such as the drought and water allocations, local businesses and industry are working hard to develop and grow." Council and the Griffith Business Chamber would like to congratulate the winner of the Griffith Business Survey competition, Mrs Maria Searle who won an Apple iPad. The Griffith Business Survey report can be found online at <https://bit.ly/2Sk778S> or by contacting Council's Economic Development Team on 6962 810.

## POSITIONS VACANT

Are you looking for a rewarding career? Then join our team and make a difference to your community. Griffith City Council offers the chance to work in a stable and secure environment while providing excellent opportunities to develop your skills and career potential. Council is proactive and passionate about creating ongoing opportunities for our growing population. Council is seeking applications from enthusiastic motivated individuals for the following positions:

### Community Development Officer - Aboriginal Liaison (Permanent)

The Community Development Officer – Aboriginal Liaison will implement the social and cultural elements of Council's strategic plans. The position will assist community organisations and groups to build their capacity to develop events, programs, projects and activities. This position will work with the Aboriginal community to implement the elements in Griffith City Council's Reconciliation Action Plan and the ability to engage and work with people from diverse backgrounds and socio-economic groups. The successful applicant will be required to hold a Certificate IV in Community Services or equivalent, or demonstrated experience relevant to Community Development and hold a current driver license. Please include copies of all relevant licenses and qualifications with your application. To be considered for this position applicants must have a Working with Children Check Clearance Number for employment screening purposes. To apply for a Working with Children Check Clearance Number, log onto and complete the online application form [www.newcheck.kids.nsw.gov.au](http://www.newcheck.kids.nsw.gov.au) (in child related industry sector, tick Youth Worker). Hours of work are 35 hours per week with a commencement annual salary (Grade 12) \$67,437.76 to \$74,183.20 and a rostered day off once a month. This is a designated position for persons of Aboriginal or Torres Strait Islander descent. An applicant's race is a genuine occupational qualification and is authorised by Section 14 (d) of the Anti-Discrimination Act 1977. If you have any questions about this role please contact Peta Dummett on 6962 8100.

**Applications close 9am Monday 9 March 2020.**

### Information Technology Support Officer – Level 2 (Permanent)

The purpose of the Information Technology Support Officer – Level 2 is to provide high level support to users of Council's information technology infrastructure and to assist with the efficient operation of Council's information technology systems. The successful applicant will require a Degree in Information Technology or qualification relevant to the duties of the position and hold a current Australian Driver License. Please include copies of all relevant licenses and qualifications with your application. The successful applicant will require a high level of knowledge and/or experience in the support and administration of information technology systems, have a working knowledge and experience in Local Area Network (LAN) Wide Area Network (WAN) and virtual network support, also a high level knowledge and/or experience in the support and administration of Microsoft Windows operating systems, both server and desktop. Hours of work are 35 hours per week, with a commencement annual salary range \$71,196.32 to \$78,313.56 (Grade 13) and a rostered day off once a month. For any questions about the role please contact Katherine Elliott on 6962 8100.

**Applications for this position close 9am Monday 24 February 2020.**

### Team Leader - Plant Operator - Backhoe and Front End Loader (Permanent)

The purpose of the Team Leader Plant Operator is to operate a backhoe and a front end loader also lead a small crew while performing Council's construction and maintenance operations in a safe, economical and proficient manner. The successful applicant will be required to hold a certificate of competency for a backhoe and front end loader also needs to have a current HR licence and a General Construction Induction Training certificate (GIT or white card). Please include copies of all relevant licenses and qualifications with your application. Hours of work are 38 hours per

week with a commencement annual salary \$57,131.88 to \$62,846.16 (Grade 8) and a rostered day off once a fortnight. If you have any questions about this role please contact James Taliano on 6962 8100.

### Team Leader - Traffic Facilities 1 (Permanent) (Re-advertised)

The purpose of the Traffic Facilities 1 (signs) is to provide field support for the creation and documentation of Traffic Control Plans in accordance with Griffith City Council Traffic Management Plan and RMS Traffic Control at Work Sites manual. Also to carry out maintenance, replacements and installation of various signs within Council. The successful applicant will require to hold a current MR driver licence or equivalent, a General Induction for Construction Work in NSW (White Card), hold an RMS Traffic Controllers ticket, an RMS Implement Traffic Control Plans ticket and an RMS Prepare a Work Zone Traffic Management Plan ticket. Please include copies of all relevant licences and qualifications with your application. Hours of work are 38 hours per week with a commencement annual salary \$55,011.84 to 60,511.36 (Grade 7) and a rostered day off once a fortnight. If you have any questions about this role please contact James Taliano on 6962 8100.

**Applications for this position close 9am Monday 2 March 2020.**

To apply or for more information about these positions, log on to [griffith.nsw.gov.au](http://griffith.nsw.gov.au) or contact Council's Workforce Planning Administrator on 6962 8100. Only those with current rights to work in Australia may apply.

*Council is an Equal Employment Opportunity employer and welcomes diversity in the workplace.*
