### How to use your calendar:

1. Determine if your recycling collection takes place in Week A or Week B by clicking on the 'Recycling Collection Maps' located on Council's website towards the bottom of the Waste Services page - click [here](#) to access this page directly.
2. Look at the calendar below
  - If you are **Week A** your waste and recycling bins go out on the **unshaded days**.
  - If you are **Week B** your waste and recycling bins go out on the **shaded days**.
3. On the alternate weeks only your waste bin will go out.

☐ MY RECYCLING WEEK (Week A)

☐ MY RECYCLING WEEK (Week B)

Please place your bins on the kerb the night before the day of collection.
