……

Start Date:-…… ***Completion Date:-***……

Is the work related to a Development Application ☐ **No** ☐ **Yes** **DA No:**……..

(Bond not required if a DA has been approved)

(WO-FO-100) Application Permit Works within a Road Reserve

Clause No.	List of Standard Conditions	Office Use Only
1	Standard Application Approval fee shall be paid to Council with this application. **Urgent Approval Fee, is applicable if the Approval is required in less than 10 working days** **[Receipt Type 500] W112.9995.596**	✓ ✗ ☐
2	A road inspection fee shall be paid to Council with this application. **[Receipt Type 500] W112.9995.596**	☐
3	The bond to be calculated at 5% of the value of the works impacting on the road reserve. Bond shall be deposited with Council, with this application. **Total value of work impacting on the road reserve: - $**…… Bond payable - minimum $500, and maximum $10,000. **[Trust Register 50 Category 8]** **[Not applicable to other Government Authorities and MI]** *The bond will be retained for a minimum period of six (6) months after work completion. The bond will be totally refunded should the works area be of a similar standard to the immediate surrounding road network at time of final inspection. Road subsidence, or poor finishing of work, will result in bond forfeiture, or delays until works are to the satisfaction of Council. Should Council plant be required to attend the site within bond period, bond will be forfeited and the balance of full cost recovery will be invoiced to the responsible contractor.* ***Where bond is not applicable, an invoice will be sent to responsible Authority/Contractor to recover the full cost of works****.* *Liability for future maintenance will remain with the original Contractor/Authority until Council has signed off on the works.*	☐
4	If a road closure is required, a notice fee per ad per week shall be paid to Council with this application. Number and frequency of advertisement to be determined by Council. **[Receipt Type 500] W112.9995.596**	☐
5	The extension of Speed Zone Authorisation or Road Closure Permits on local and TfNSW Roads will incur an additional fee. **[Receipt Type 500] W112.9995.596**	☐
6	Traffic control plans shall be in accordance with Australian Standard 1742.3 or other standards acceptable to the Council. A traffic control plan shall be designed and approved by suitably qualified person and shall be submitted with this application. Complete form **WO-FO-202 Portable Traffic Signals,** if proposing to portable traffic signals. Complete form **WO-FO-205 Speed Zone Authorisation,** if proposing to reduce the posted speed limit of the road. Complete form **WO-FO-208 Location Risk Assessment.** Complete form **WO-FO-209 Road Closure Authorisation,** if proposing to close the road. **Note: The roadway is to remain open to traffic at all times during construction unless a direction to restrict or Road Closure notice is issued by council. Where road closure notice is required, allow 20 working days to process the application.**	☐
7	Applicant shall take out or extend a Public Risk Insurance Policy, with a cross clause to cover the Council, for public liability in an amount of not less than $20,000,000 or such other amount as the Council shall nominate to the Applicant from time to time. Council is to be indemnified from any claim arising from accidents that may occur during the installation and restoration phase and up until the work has been cleared by Council. **Note: A Certificate of Currency is to be supplied to Council naming Griffith City Council as an Interested Party each time application is logged.**	☐
