

Waste – Garbage Service – Outside Service Area |

Public Policy – WM-CP-403

Directorate	Utilities	
TRIM Ref	14/15189	
Status	Current	
Adopted	26 August 2014	Minute No: 0267

Policy Objective

To afford residents of the opportunity of the garbage service where it can be provided without economic loss to Council.

Policy Statement

14/13812 The Council will provide a domestic garbage collection service to residences outside the defined garbage service area. Where such residences are en route or are conveniently located to an existing route. The provision of the service has to be economically justifiable and approval will be sought through the Waste Operation Manager.
