## Star Business and Star Shopper Campaign is back

Has your favourite store registered as a Star Business for the Star Shopper competition yet? If they haven't, ask them why not!

Griffith City Council is bringing back the award-winning Glow2680 Christmas campaign after the overwhelming response last year which saw more than 15,000 entries submitted in the Star Shopper Campaign.

Businesses are invited to decorate and light-up their shop windows and register as a Star Business as soon as possible to encourage Star Shoppers to spend local in the lead up to the festive season.

Throughout November and the first week of December, by shopping at a Star Business

customers will have the opportunity to win a \$500 first prize or one of five runners-up \$100 vouchers to spend at any one of the participating businesses.

To get involved, register your business and receive a Glow2680 Star Business promotional sticker so that shoppers can easily identify that you are taking part. Hand out entry forms to shoppers who spend over \$15 to place in the box provided (one entry per spend).

Register your business to take part in the Christmas Sidewalk Sale on Saturday, 3 December 2022. To register your business, click on the link <https://bit.ly/3CHbWiy> or call 1300 176 077 for more information.

## Reminder when parking in the CBD

## Funding announced to fix potholes

Griffith City Council is one of 95 councils sharing in \$50 million in funding to help regional and rural councils fix the increasing number of potholes brought on by this year's extreme wet weather.

Under the new Fixing Local Roads Pothole Repair Round, councils can apply for funding to help them address their highest priority pothole repairs. This funding is available to help every regional council across the state to carry out emergency repairs and would fix roughly more than 420,000 potholes on their roads. Work must be completed between 1 January 2023 and 1

January 2024.

This announcement comes as the Griffith Local Government Area is impacted by water moving through the system following extreme wet weather. this week.

Remember:

- \* Don't drive through water over road
- \* Keep travel to the minimum
- \* Drive to the conditions
- \* Think twice before you take that next turn, is it necessary?

Heading into the busy festive season, locals are being urged to utilise the three newly named car parks located in Railway Street to help ease congestion in the Griffith CBD. Following a 28 day submission period, proposals to name the car parks Stevenson, Jasnos and Eardley will now be forwarded to the Geographical Names Board for approval. Griffith Mayor, Councillor Doug Curran is urging business owners to consider using the Railway Street car parks to ensure spaces are available for customers on the main street. "We've got these new car parks that I hope everyone will to become accustomed to using fairly quickly," Councillor Curran said.

"We are about to head in to a busy shopping period and I just want to remind anyone looking for parking that these spaces are available."

Director, Sustainable Development, Bruce Gibbs is reminding residents that parking in and around the CDB is regularly monitored.

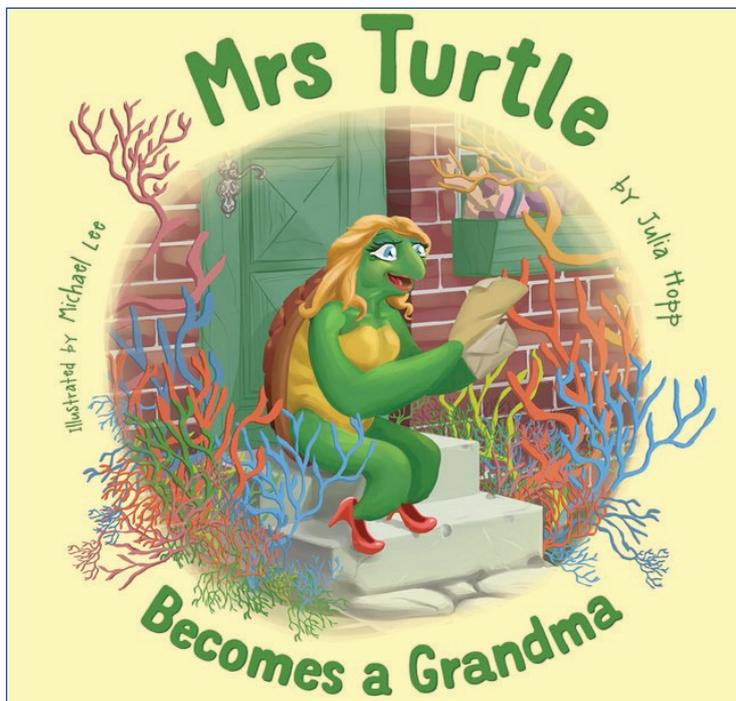

"Our Enforcement Officers will be out to ensure overall equity of access of parking for local business and patrons," he said.

"We'd just like to advise motorists that parking in the CBD is routinely monitored and enforcement is carried out."

In the last 6 months 386 parking infringement notices were issued by Council Officers.

## Local author Julia Hopp to visit Library

Join the team at the Griffith City Library for a conversation with local author Julia Hopp, with Illustrator Michael Lee, on Wednesday 2 November at 6pm.

Julia has written the children's book 'Mrs Turtle Becomes a Grandma' for her grandson Leor. A psychologist who works in schools with children, she enjoys running, listening to music and reading. She often dances around her kitchen. Very badly. Her wish is that

every child, wherever they are in the world, is loved and cared for as much as her grandson. Wonderful news – Mrs Turtle is becoming a Grandma! But Mrs Turtle is worried she may not be a good enough Grandma for the new baby. It takes the arrival of her brand new grandson to show her that the best example we can set is to be ourselves in the world. Refreshments provided. Bookings via [wrl.eventbrite.com.au](http://wrl.eventbrite.com.au)

## Message from Mayor Doug Curran

"Once you replace negative thoughts with positive ones, you'll start to see positive results." Willie Nelson  
Another week and there continues to be so much happening, most of which is great for our community. In saying that, the recent rainfall at the beginning of the week was quite stressful for many of our community members and although I truly believe staff did a great job to reduce the impact, we need to do better.

When I say we, I include myself and fellow Councillors as decision makers about where we next improve to reduce these impacts. We will be conducting a review of what can be done better, I promise you all.

Tomorrow will see the 'We Love our Westend Gala Come and Try day' and along with many sporting figures it will see the Honourable Anthony Albanese, our Prime Minister visit our wonderful city. Please come along and see the largest infrastructure spend in Griffith for decades.

This centre will set up our community and our youth for years to come and having the Prime Minister here for the Open Day at the Griffith Regional Sports Centre is extremely exciting. This week I have been, along with Councillors Blumer, Ellis and Sutton and our General Manager Brett Stonestreet, at a three-day conference by Local Government NSW talking about the challenges and opportunities for councils. It was a great chance to reconnect with many of

our colleagues and also to collaborate on initiatives that we can work on to improve the lives of our residents.

Whilst at the conference I met with Minister for Regional Transport and Roads, Sam Farraway who announced \$50m to fix potholes in regional NSW, this was great to be a part of and he is also in town today to talk about freight.

Transport for NSW recognise Griffith as a major contributor to the NSW economy and as such have convened a freight forum in Griffith to talk to our community about how we can improve freight movements around our city.

I hope to have more news on the outcome of this soon. Please come along on Saturday, 29 October to the Griffith Regional Sports Centre Gala Open Day, it will be a great day and I hope to catch up with many of you there.

There will be plenty of food and drinks and we've also got free shuttle buses running. Even if you don't want to try a sport, it will be well worth it just to see what has been done.

Stay safe, stay well and above all else be kind, bye for now.

Regards,  
Mayor, Doug Curran
