

COUNCIL CATCH-UP

Two new Tesla Charging Stations for Griffith

Griffith City Council has resolved to accept a partnership proposal with Tesla Motors Australia, to provide two destination chargers for electric vehicles in Griffith.

The proposal was first presented to councils in 2018 as part of an Increasing Resilience to Climate Change strategy. Council has since been working on brokering a partnership with Tesla Motors.

Griffith Mayor, Councillor John Dal Broi welcomed the news, saying the installation of these charges will encourage Electric Vehicle (EV) Tourism in our City.

"Council staff have been working toward this partnership for some time, participating in an extensive campaign to promote EV tourism and transport across the region."

"Electric powered vehicles are the way of the future and Council is now able to offer two charging stations which will be installed at the Griffith Visitor Information Centre," Councillor Dal Broi said.

"Those with electric cars can now have the confidence to place Griffith on their itineraries, assisting with growing our tourism market and injecting more funds into the local economy - research shows that EV use in tourism positively impacts

the environment and enhances sustainability for economic and social development."

The partnership involves Tesla Motors supplying at cost two destination chargers which will be available for public use, with Council funding the installation (\$10,000) and ensuing the maintenance and use of the chargers for a minimum of three years.

Current projections indicate EVs will account for 55% of new car sales by 2040 (BNEF 2018). There is also set to be a major shift in EV ownership from next year when more affordable models become available in Australia.

"Part of Council's commitment to creating an environmentally sustainable city will be to seek 'charging' partners to join and extend the network, making it easier and more accessible for visitors and community members to charge their vehicles," added Councillor Dal Broi.

The charging stations are on route to Griffith and will be installed in the coming weeks. For more information on the charging stations, please contact Council on 1300 176 077.

Council rolls out new Planning Portal

Griffith residents and developers will be introduced to a new system that will help streamline the Property Development Application process.

The NSW Planning Portal, which goes live on Council's website from Monday 2 November 2020, provides an online environment where people can access planning services and information from anywhere at any time. This is a convenient alternative to paper-based transactions that can only take place during business hours. Council's Customer Service Coordinator Trudy Kalteren said it was an exciting step forward in providing a more efficient system for Griffith residents.

"The aim is to have everything in one place where you will be able to view development applications online and easily track them," she said.

"Users can submit their development application through the portal and will receive updates on key phases along the process. It's simpler, faster and more transparent."

Griffith Mayor, Councillor John Dal Broi said, he was happy to see this new service introduced.

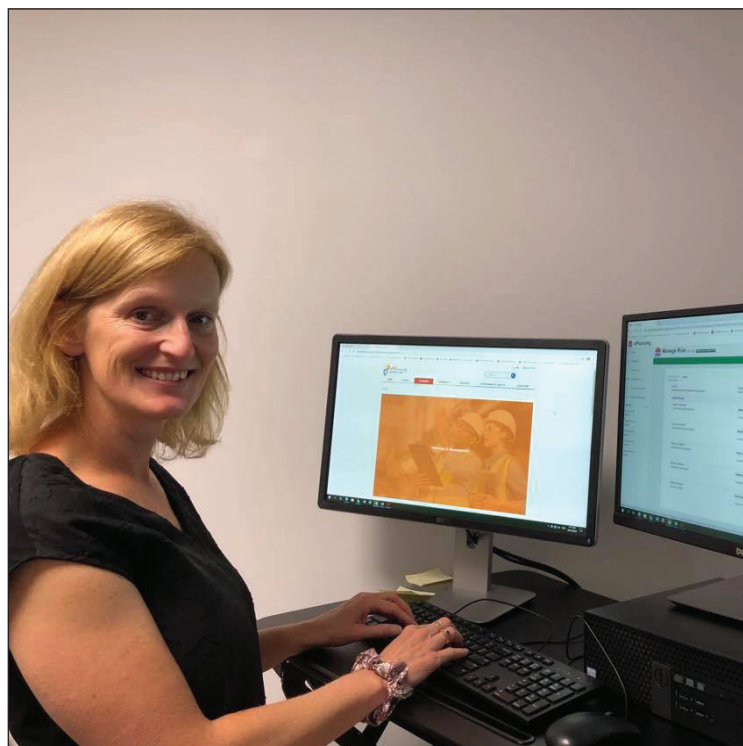

"This is good news for everyone. It will make life easier for developers and Council and offers a range of digital planning services, mapping tools and reporting tools to assist everyone involved in a proposed development," Councillor Dal Broi said.

"I know that the process hasn't always been as straightforward as we'd have liked, so this will certainly help simplify things."

The digital services, accessed via dashboards, improve application determination times, increase transparency of the planning system and ensure greater accountability of all stakeholders.

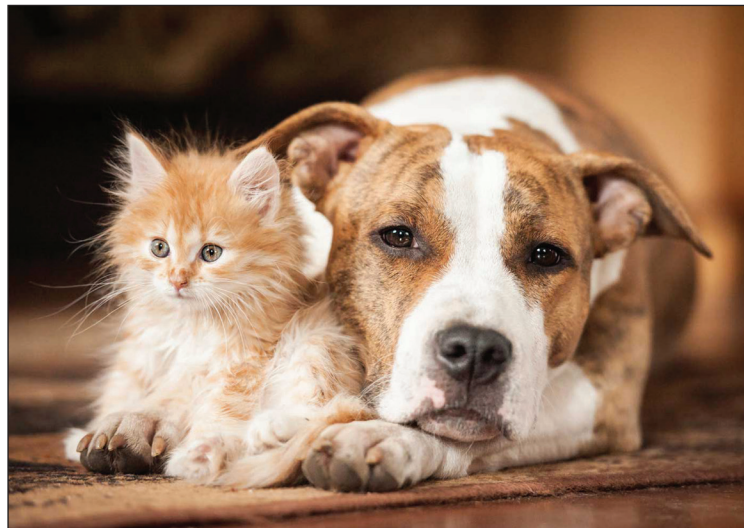

From 1 July 2021 it is mandatory that all development applications are submitted through the planning portal. Registered users gain access to a digital dashboard which helps them manage their applications through the system.

Applicants can submit a DA online and Council will review the DA and as required, request and receive additional documents through the portal before making a determination. To access the new portal head to Council's website www.griffith.nsw.gov.au

Are you a responsible pet owner?

Update from the General Manager

Dogs and cats are 'companion animals' under the Companion Animals Act 1998 and the Companion Animals Regulation 2008 which outlines the responsibilities of owners.

Council's Environmental Health & Compliance Coordinator, Merryn Benham said Council Rangers have the power where necessary to enforce the law, ensuring that owners meet their responsibilities.

"Your dog or cat must be microchipped by 12 weeks of age, or before selling or changing ownership - this identifies your pet and helps locate your pet if it is lost or stolen," said Ms Benham.

"Once your pet is microchipped, you must also Lifetime Register your pet with Council through the NSW Pet Registry - you can register, update and change details online to make the entire process easier for you."

The Registry (www.petregistry.nsw.gov.au) is available for cat and dog owners to:

- Create an owner profile
- Update their contact details
- Transfer ownership of pets
- Report their pet missing, and
- Pay most lifetime registration fees online.

"If you are unable to do this online, you can drop into Council and we will help you through the process," added Ms Benham.

When talking about responsible pet ownership, it is important to consider desexing. This is a surgical procedure performed by vets that prevents them from being able to reproduce.

"Did you know cats can start breeding as young as four months of age? The most common age to desex your pet is between 4 and 6 months, however they are never

too old to be desexed," Ms Benham said.

There are many health and behavioural benefits to desexing:

- Desexed animals are generally less likely to get diseases and certain illnesses
- Can reduce behaviour problems such as roaming, aggression and urine marking in males
- Prevents unwanted litters which can be expensive and risky to the females health

"I would encourage you to contact your vet to organise desexing for your pet - Dogs desexed before 6 months of age, and cats desexed before 4 months of age receive a discount on Lifetime Registration," she said.

Chair of the Griffith Pound and Rehoming Centre Working Group, Councillor Doug Curran said it is vital for pet owners to abide by the rules and get pets desexed.

"Each week we are finding more and more pets abandoned in the pound, especially cats and kittens," said Councillor Curran.

"By desexing your pets, you are reducing the amount of unwanted cats and dogs which is the only way to end this cycle."

Another aspect to being a responsible pet owner is ensuring your dog or cat does not harm or threaten any other person or animal. This means that you must be able to control your dog on your property and when you are in public with your dog you must always keep it on a leash. For cats you must ensure they do not recreate a nuisance to neighbours and keep it away from wildlife protection areas and food preparation or consumption areas. For more information, contact Council on 1300 176 077.

2020 has certainly been a year like no other with the community being disrupted on several fronts due to the Pandemic.

In the scheme of things, however, Griffith has been impacted to a lesser degree than many communities especially in Victoria. While COVID-19 is certainly not behind us there is a sense that things are under control, at least in Australia.

On a further positive note, the rains have returned and our farmers have a chance to get back on their feet, which helps our entire community and economy.

The City is a very busy place at present which is great to see. Several visitors to Griffith have commented how vibrant and energetic things are with construction activity happening all over the place.

Councillors received a presentation update on 20 October from Health Infrastructure NSW regarding the new Griffith Base Hospital development, with the next stage of the new hospital the "Non-Clinical Services" building.

Work on this building will commence late 2020 and is scheduled for completion early 2022. It will be located on the north-eastern side of the site adjacent to the southern boundary of St Vincent's Private Community Hospital.

The upgrade of Yambil Street is progressing well with Stage 2 (Kooyoo to Ulong Street) now complete. Tenders for Stages 3 and 4 (Ulong to Kookora Street) were considered by Council at a meeting on Tuesday evening with B and C Plumbing Pty Ltd, appointed as the successful contractor. Works are scheduled to commence during November.

Construction of the new 50m pool at the Griffith Regional Aquatic Leisure Centre is progressing very well and on target for completion by end of January 2021.

February and March are very warm months in Griffith so there is plenty of fun times to be enjoyed in the new pool this summer.

The second stage of the Regional Sports Project is the West End Sports Stadium/Oval development. What an exciting project for Griffith and the Western Riverina. Tenders are likely to be called later this year,

and we expect to start the construction during March/April 2021.

The next stage of the Southern Industrial Link Road (Heavy Vehicle By-Pass) is progressing well at the intersection of Kidman Way/Bromley Road/Brown Rd/Brogden Rd. (Often referred to as Lavender Bend). Works on this section are scheduled for completion at end of January 2021.

The Griffith Affordable Housing Project at Pioneer is progressing with negotiations finalised between Griffith City Council and Land and Housing Corp. NSW for the transfer of ownership of land to Council. Council will undertake civil works such as roads, water, sewer, drainage, kerb and gutter etc and then transfer ownership of the land to our project partner Argyle Community Housing. Argyle will then construct 20 affordable dwellings and rent these to Griffith citizens who are employed but struggle to afford to enter the main stream housing rental market. There will also be 45 additional developed blocks which Argyle will make available for sale to Griffith citizens who meet "affordable housing" criteria. A community BBQ was held 21 October on site with residents of Pioneer to discuss the project and open dialogue regarding any concerns the community has. A large earthen mound is located in the centre of the site which will be removed prior to any development progressing. The project includes a community park and residents views have been welcomed as the design of the park layout progresses. Residents are particularly keen to have a basketball court included in the park or constructed on an alternative site. Employment and training opportunities for Pioneer residents, particularly Aboriginal citizens during construction are also being explored. Works on site are expected to commence first quarter of 2021.

Several other projects are on the go so Griffith is really on the move.

Kind regards,

Brett Stonestreet
General Manager

Defibrillator now located at Griffith City Library

Griffith City Council wishes to advise that in the event of a cardiac arrest, an Automated External Defibrillator (AED) is now located at the Griffith City Library.

An Automated External Defibrillator (AED) is a small portable device which delivers an electrical shock to a person's heart to restore rhythm, allowing blood and oxygen to flow to the heart, brain and body. Having immediate access to a defibrillator can increase the likelihood of survival for people experiencing cardiac arrest.

Griffith Mayor, Councillor John Dal Broi said, giving immediate cardiopulmonary resuscitation (CPR) and using an AED early on can greatly increase the chance of survival.

"In the event of an emergency we encourage people to call triple zero (000) immediately, but knowing that this defibrillator is available for public use provides some peace of mind if it is required," Councillor Dal Broi said.

"You can use a defibrillator whenever CPR is needed and that is if a person is unresponsive and not breathing normally.

"The most important thing to remember is that time is crucial. If someone is unresponsive and not breathing, call an ambulance, start CPR and use a defibrillator as soon as possible."

Anyone can use an AED. The device will tell you what to do. Make sure the area around the person is clear. Don't touch the person while you are using the AED because this could interfere with how it reads the person's heart.

If necessary, the AED will tell you where to put electrodes (pads) on the person's body. The device may deliver more than one shock.

The AED may instruct you to continue CPR after the shock. Continue CPR until the ambulance arrives.

Located behind the customer service desk, the defibrillator can be used for both adults and children.

Message from Councillor Christine Stead

As we near the end of a tumultuous 2020, I would like to thank all those members of the community who gave their time and energy tirelessly through the year during these trying times.

It is important to recognise those within our community who constantly go above and beyond, and one way to do that is through the Australia Day Awards.

Do you know someone who volunteers countless hours for a local service organisation, sporting or community group, or an educational facility? Perhaps someone who is outstanding in their field of work or study?

The Australia Day Working Group are now calling for nominations and I would like to encourage you to think about nominating a worthy local.

These Awards are such an important way to let community members know their work does not go unnoticed.

Due to COVID-19, the Working Group have streamlined the nominations to the following categories this year:

- Citizen
- Young Citizen
- Environmental Citizen
- Young Environmental Citizen
- Project

After the success of the Environmental Citizen of the Year last year, there is now a new award for the Young Environmental Citizen. These awards are sponsored by the NSW EPA's Return and Earn recycling program.

The winners of the local Environmental Awards will go on to the State Titles - an opportunity to further showcase their outstanding efforts.

In addition, the Mayor will present the Local Hero Award, recognising someone who epitomises community. This award is eagerly anticipated and is never an easy one for the Mayor - Griffith is fortunate to be full of many wonderful volunteers who demonstrate what it is to be part of this incredible community.

If you would like to nominate someone for one (or more!) of the categories, please visit the Council website at griffith.nsw.gov.au/australiaday

There is just one form this year,

and it is as simple as clicking the link and completing the form online. If you are having any issues, please contact Council and we will assist you through the process.

The Awards will be presented at a special ceremony to be held on Australia Day, Tuesday January 26. The Working Group are looking at the options to host a COVID safe event. We anticipate being able to hold the Awards at Griffith Regional Theatre - hopefully the restrictions we are currently facing will ease and we can run a successful event recognising our nominees and winners, and welcoming our newest Citizens.

It is hoped that Griffith Pioneer Park Museum can also host a very special Australia Day event - more details to come, so watch this space.

Don't forget we will have the annual Australia Day Colouring-in Competition - you can pick up your entry form from Griffith City Library - there are some great prizes on offer and this is a fantastic way to have your children involved.

I would also like to take a moment to acknowledge the theme of the 2021 event - Reflect, Respect, Celebrate.

We must reflect on our history, our nation's past which began more than 65,000 years ago, the impact of European settlement on our First Australians and the waves of immigration that have helped us become one of the world's greatest multicultural success stories.

At the same time, we respect the contributions of everyday Australians, and celebrate by coming together and connecting with family, friends, community.

Australia Day provides us with the reminder of our deep and cultural history, gives the opportunity to learn from our nations first people, and embrace our future, while thanking those who helped us get to where we are today.

Aussie, Aussie, Aussie!

Cr Christine Stead

Join the Council team!

We are currently seeking applications for:

- Gardener (12 month term)
- Plant Operator/Gardener - Lake Wyangan
- Community Development Officer - Aboriginal Liaison
- Governance Officer (12 month term)
- Project Administration Support Officer - Urban Design (12 month term)
- Environmental Health Officer (12 month maternity leave position, full time)
- Swimming Instructor (no AUSTSWIM, casual)

For more information or to apply visit our website:
www.griffith.nsw.gov.au

PUBLIC NOTICES

Renewal of Alcohol Free Zones and Alcohol Prohibited Areas

Council has resolved to place the **Renewal of Alcohol Free Zones and Alcohol Prohibited Areas** on public exhibition for 28 days. The Renewal of Alcohol Free Zones and Alcohol Prohibited Areas may be viewed at the Council Chambers, 1 Benerembah Street Griffith, the Griffith City Library and on Council's website at griffith.nsw.gov.au/onexhibition. Anyone wishing to make comment on the Renewal of Alcohol Free Zones and Alcohol Prohibited Areas can do so in writing addressed to the General Manager, Griffith City Council, PO Box 485, GRIFFITH NSW 2680 or visit Council's website to provide an online submission. Submissions received will be included in a report to be presented to an Ordinary Meeting of Council. As such, copies of all submissions (including the writer's name and address) will form part of Council's Business Paper and be available to the public. Should you wish to have your contact details withheld it is recommended that you request this in your submission. Comments or submissions will be received up to **4pm, Friday, 27 November 2020**.

Draft Plan of Management – Kookora Street Park, Griffith

Pursuant to Section 38 of the Local Government Act 1993, Council advises that the **Draft Plan of Management for Kookora Street Park, Griffith** is currently on exhibition until Friday 6 November 2020. The document can be viewed on the Council website at griffith.nsw.gov.au/onexhibition or at Council offices during business hours. Written submissions will be received up until **4pm, Friday 20 November 2020** and should be forwarded to the General Manager, Griffith City Council, PO Box 485, Griffith NSW 2680 or via email admin@griffith.nsw.gov.au. Please note that any submissions may be included in the Council Business paper for consideration at an Ordinary Meeting of Council. For further information, please contact the Corporate Property Officer, Daphne Bruce on 1300 176 077.

Notice of Intention to give Consent to a Short Term Licence of Crown Reserves

Council hereby gives 28 days notice of its intention to grant a licence for a term of 10 years over Crown Reserve described as part **Lot 562 DP 751743, Dalton Park, to Griffith Jockey Club Inc.** Written submissions will be received up until **4pm Friday, 13 November 2020** and addressed to the General Manager, Griffith City Council, 1 Benerembah Street, Griffith. Please note that under the provisions of the Government Information (Public Access) Act 2009, submissions may be referred to third parties for consideration. Once the submission period is completed, Council will consider all duly made submissions before deciding whether to continue with the licence. For all enquiries contact Daphne Bruce, Corporate Property Officer, on 1300 176 077.

Draft Water - Supply and Charges Policy (WS-CP-202)

Council has resolved to place the **Draft Water - Supply and Charges Policy (WS-CP-202)** on public exhibition for 28 days. The Draft Water - Supply and Charges Policy (WS-CP-202) may be viewed at the Council Chambers, 1 Benerembah Street Griffith, the Griffith City Library and on Council's website at griffith.nsw.gov.au/onexhibition. Anyone wishing to make comment on the Draft Water - Supply and Charges Policy (WS-CP-202) can do so in writing addressed to the General Manager, Griffith City Council, PO Box 485, GRIFFITH NSW 2680 or visit Council's website to provide an online submission. Submissions received will be included in a report to be presented to an Ordinary Meeting of Council. As such, copies of all submissions (including the writer's name and address) will form part of Council's Business Paper and be available to the public. Should you wish to have your contact details withheld it is recommended that you request this in your submission. Comments or submissions will be received up to **4pm, Monday, 16 November 2020**.

Public Hearing – Alteration of Categorisation of Community Land

Pursuant to Section 40A of the Local Government Act 1993, Council proposes to alter the categorisation of community land, **Kookora Street Park (Lot 1 Section 127 DP 758476), from Park to General Community Use.** A public hearing will be held in the Council Chambers, 1 Benerembah Street, Griffith on **Wednesday 18 November 2020 between 5.30pm and 6.30pm**. For further information regarding this proposal please contact Daphne Bruce, Corporate Property Officer, on 1300 176 077.

Notice of Intention to Give Consent to a Licence of a Crown Reserve - Kookora Street - Linking Communities

Griffith City Council hereby gives twenty eight (28) days' notice of its intention to grant a licence for a term of 5 years over Crown Reserve described as vacant land part Lot 4 DP 864407, Kookora Street Griffith to Linking Communities Network Ltd. Written submissions will be received up until **4pm Friday 20 November 2020** and addressed to the General Manager, Griffith City Council, 1 Benerembah Street, Griffith. Please note that under the provisions of the Government Information (Public Access) Act 2009, such submissions may be referred to third parties for consideration. Once the submission period is completed, Griffith City Council will consider all duly made submissions before deciding to whether to continue with the licence. For all enquiries contact Daphne Bruce, Corporate Property Officer, Telephone 1300 176 077.

Notice of Temporary Road Closures

Notice is hereby given under the Roads Act 1993, Section 122, for the temporary closing

of: **Bosanquet Road between McCormack Road and Dinicola Road from 4 November until 30 November 2020** as BC Plumbing will be installing a culvert crossing a roadway. Access for residents and detours around the site will be provided.

Notice of Closure - Union Picnic Day

The Griffith City Council offices, Griffith City Library, Griffith Regional Art Gallery, Griffith Regional Theatre, Griffith Regional Aquatic Leisure Centre and Griffith Saleyards will be closed on **Tuesday 3 November 2020** for Union Picnic Day and will re-open on Wednesday, 4 November 2020. The Griffith Visitor Information Centre, Pioneer Park Museum and West End Stadium will be open as normal. The emergency after hours numbers are 6964 1160 or 6969 4832. For all fire emergencies telephone 000. For emergencies relating to dog attacks and stock on roadways call the Council Ranger on 0408 210 196. Waste collection and kerbside recycling will be collected as normal. The Tharbogang Waste Management Centre will be open as normal.

Pest Control Program at the Tharbogang Waste Management Centre

The Waste Department of Griffith City Council will commence a pest control program at the Tharbogang Waste Management Centre from **6pm on 1 November 2020 and the program will end on 6am on 2 November 2020**. Please ensure that all pets are secured on your property for this period. For further information contact John Roser – Waste Operations Manager during business hours on 1300 176 077.

Feral Goat Control - Scenic Hill

Griffith City Council wishes to advise the public that Council will engage in Feral Goat control at **Scenic Hill on 6 and 7 November 2020**. Members of the public are requested not to access the area on these dates. Main Roads through the area including Scenic Drive, Remembrance Drive and Old Aerodrome Road will be open for traffic subject to traffic control. All users of these roads are requested to observe and obey signage in relation to traffic control. Fire trails on scenic Hill will not be accessible for any private or recreational purposes on these dates and members of the public are requested to work with council on this matter to ensure public safety is not at risk.

Feral Goats are one of the pest animal species identified in the Riverina Regional Strategic Pest Animal Management Plan 2018-2023 and have a significant impact on agricultural production, industry, the environment and communities in the Riverina.

Griffith LGA forms part of the area managed by the Riverina Regional Strategic Pest Animal Management Plan which outlines four main goals:

- Exclude – prevent the establishment of new invasive species
- Eradicate or contain – eliminate, or prevent the spread of new invasive species
- Effectively manage – reduce the impacts of widespread invasive species
- Capacity building – ensure NSW has the ability and commitment to manage invasive species

The Biosecurity Act 2015 – determines that all stakeholders including government agencies, industry and private landholders must demonstrate that they are meeting their General Biosecurity Duty and fulfilling their role in confronting the challenges and achieving the goals and actions outlined in the plan. Furthermore pest animal management is a shared responsibility between landholders, community, industry and Government and requires a coordinated approach across all scales and all land tenures including public and private lands.

Notification of Development Applications Received (Environmental Planning & Assessment Act, 1979)

DA No: 282/2020(1)	Applicant: Belatera Pty Ltd & MJM Consulting Engineers
Address:	Lot 530 DP 751709 47 Rae Road GRIFFITH
Description: Large Lot Residential Subdivision - 16 Lot Torrens Title	

Copies of the Development Application and associated plans are available for inspection on Council's website under Council/Public Notification and Items on Exhibition/Development Applications. If you do not have access to the internet, please phone Council's Customer Service Centre on 02 6962 8100. This documentation may be viewed up until **4pm Friday 13 November 2020**.

PLEASE NOTE: Section 10.4 of the Environmental Planning & Assessment Act, 1979 requires the disclosure of any Political Donations & Gifts made in the two years prior to the application date. A form is available from Council's Customer Service Centre or Council's website – www.griffith.nsw.gov.au

Written submissions regarding the Development Application should be addressed to the General Manager and will be received by Council up until 4.00 pm on Friday 13 November 2020. Submissions should include a contact name, address and telephone number. Submissions made on behalf of a company should also include the names and addresses of all company directors. If submissions are received raising concerns with the proposed development a report will be presented to an Ordinary Meeting of Council for determination. As such, copies of all submissions (including the writer's name and address) will form part of Council's Business Paper and be available to the public. Should you wish to have your contact details withheld it is recommended that you request this in your submission.
