

COUNCIL CATCH-UP

Message from the Mayor, Councillor John Dal Broi

Winter is upon us and with that comes the icy weather. I would like to take the opportunity to remind road users in the area to take care in the changed conditions - slow down, use your lights and drive with caution. We are of course coming up to the anticipated Queens Birthday public holiday and as you can read below, Griffith is in for a massive weekend of markets, special events, exhibitions and much more. If you are traveling out of the region, please take extra precautions. Many people take to the roads over long weekends, increasing the risk of accidents. Ensure you take regular breaks,

drive to the conditions and arrive alive. Of course with the public holiday comes double demerits. Double demerits start midnight Friday 7 June and run through to Monday 10 June (inclusive). Over this weekend there are several sporting activities taking place, demonstrating the need for our Sporting Precinct. It is a very exciting time for sport in Griffith, and we are working towards having the tender documents out soon. Griffith Regional Theatre's local production of Legally Blonde has hit the stage and what a production it is! I would like to congratulate the Theatre staff,

performers, back stage staff, and everyone involved in this fantastic musical - if you haven't seen it, be sure to get your tickets at griffithregionaltheatre.com.au Griffith Sale Yards has set a new Australian record with lambs at the Friday Griffith sheep sale making \$345 a head. The 10-month old lambs averaged 92kg and were from Kikoiria near Lake Cargelligo. This comes after Wagga set a high of \$315 last month. It's pleasing to see strong prices for our farmers during the drought with their ever increasing feed and running costs. Work is continuing on Yambil Street and while this is an inconvenience to road users, it

will be worth it once completed. I would like to remind drivers that there is limited parking, however many businesses can be accessed from Banna Lane. We ask that people always respect the road rules as it is imperative that people refrain from parking across driveways which is not only illegal, but dangerous. It's good news for the Griffith community as Sharp Airlines prepares to commence direct flights between Griffith and Melbourne from Monday 15 July 2019. Sharp Airlines has partnered with Australian regional airline investment and marketing specialist EastWest Aviation in

developing the service. Sharp will operate 12 weekly services between Griffith and Melbourne (Essendon) providing over 11,000 seats a year. This is an important new service that will benefit the residents of Griffith and surrounding regions. Longevity of this service is dependent on patronage and I encourage businesses and the community to support it.

Regards,
Councillor John Dal Broi
Mayor

Busy weekend ahead for Griffith
